(Buck Owens)

I ain't a gonna be treated this a way
I'm gonna lay the law down here today
If you don't take on big trancision
You gonna see a change in my disposition
'Cause I ain't a gonna be treated this a way.

Well, the time has come to face up to the truth
Who's gonna wear the pants here me or you
You'd better jumps when I say fro yessir nosir that ain't
all
'Cause I ain't a gonna be treated this a way.

Well, I ain't a gonna be treated this a way.
I'm gonna lay the law down here today
If you don't take on big trancision
You gonna see a change in my disposition
'Cause I ain't a gonna be treated this a way.

--- Instrumental ---

Now there'll be no more that workin' late at night
If it happens just as sure there's gonna be a fight
If you don't shape up our ship out I go on a first train
movin' south
'Cause I ain't a gonna be treated this a way.

Well, I ain't a gonna be treated this a way.
I'm gonna lay the law down here today
If you don't take on big trancision
You gonna see a change in my disposition
'Cause I ain't a gonna be treated this a way.

Oh, I ain't a gonna be treated this a way.
Oh no, I ain't a gonna be treated this a way.
Oh, I ain't a gonna be treated this a way...
