(Buck Owens - Don Rich)

You turn your head each time I meet you on the street
I brush your arm as you pass by but you don't speak
I call you on the telephone but can't get through
I can't stop my loving you.

Can't sleep at night, can't hold you tight
Since this loneliness replaced the love we knew
I still hang around though you turned me down
I can't stop my loving you.

Can't sleep at night, can't hold you tight
Since this loneliness replaced the love we knew
I still hang around though you turned me down
I can't stop my loving you.

I can't stop my loving you...
