(Buck Owens)

I don't care if the sun don't shine
I don't care if the bells don't chime
Just as long as you love me
I don't care if the tops don't spin
I don't care if the gins don't gin
Just as long as you love me.

So darling let it rain, let it snow
Let the cold north winds blow
Just as long as you love me
North or south, east or west
Uou know I will stand the test
Just as long as you love me.

--- Instrumental ---

(I don't care if the bells don't ring
I don't care if the birds don't sing
Just as long as you love me
I don't care if the fire don't burn
I don't care if the world don't turn
Just as long as you love me.)

So darling let it rain, let it snow
Let the cold north winds blow
Just as long as you love me
North or south, east or west
Uou know I will stand the test
Just as long as you love me.

(Oh, darling) just as long as you love me...
