Oh, the sun's gonna shine in my life
Once more love's gonna live here again
Things are gonna be the way they were before
Love's gonna live here again

Love's gonna live here, love's gonna live here
Love's gonna live here again
No more loneliness only happiness
Love's gonna live here again

I hear bells a ringing, I hear birds a singing
Love's gonna live here again
I hear bees a humming and I know the days're coming
Love's gonna live here again

Love's gonna live here, love's gonna live here
Love's gonna live here again
No more loneliness only happiness
Love's gonna live here again
Love's gonna live here again
