Oh the pitty pitty patter of a little bitty feet's  
Gonna pitty pitty patter through our house  
A gonna be a comin' in June gonna stop our  
honeymoon  
Cause the pitty pitty patter of a little bitty feet's  
Gonna pitty pitty patter through our house  
Gonna be a thinkin' of another name yeah there's  
gonna be a great big change

Gonna be a lookin' for a bottle in the middle of the  
night  
Lookin' for a chance to hold daddy tight  
A washin' little diapers every day a big doctor bill I'm  
gonna have to pay pay pay  
Oh the pitty pitty patter of a little bitty feet's  
Gonna pitty pitty patter through our house  
Gonna be a thinkin' of another name yeah there's  
gonna be a great big change  
[ guitar ]  
Gonna be a lookin' for a bottle...  
Cause the pitty pitty patter of a little bitty feet's  
Gonna pitty pitty patter through our house
