Oh the pitty pitty patter of the little bitty feet's  
Gonna pitty pitty patter through our house  
(Our house, our house, our house)  
Gonna be a comin' in June  
Gonna stop our honeymoon  
'Cause the pitty pitty patter of the little bitty feet's  
Gonna pitty pitty patter through our house  
(Our house, our house, our house)  
Gotta be a thinkin' of a name  
Yeah there's gonna be a great big change  
Gonna be a-lookin' for a bottle in the middle of the ni-  
ight  
Lookin' for a chance to hold daddy ti-i-ight  
A-washin' little diapers every day  
A big doctor bill we're gonna have to pay-ay-ay  
Hey - hey  
Oh the pitty pitty patter of the little bitty feet's  
Gonna pitty pitty patter through our house  
(Our house, our house, our house)  
Gotta be a thinkin' of a name  
Yeah there's gonna be a great big change  
Gonna be a-lookin' for a bottle in the middle of the ni-  
ight  
Lookin' for a chance to hold daddy ti-i-ight  
A-washin' little diapers every day  
A big doctor bill we're gonna have to pay-ay-ay  
Hey - hey  
Oh the pitty pitty patter of the little bitty feet's  
Gonna pitty pitty patter through our house  
(Our house, our house, our house)  
Gotta be a thinkin' of a name  
Yeah there's gonna be a great big change  
'Cause the pitty pitty patter of the little bitty feet's  
Gonna pitty pitty patter through our house
