Think of your fellow man lend him a helping hand put a  
little love in your heart  
You see it's getting late oh please don't hesitate put a  
little love in your heart  
And the world will be a better place and the world will  
be a better place  
For you and me you just wait wait and see

Another day goes by and still the children cry put a  
little love in your heart  
If we want the world to know we don't let hatred grow  
put a little love in your heart  
And the world will be a better place...  
Wait and see  
Take a good look around and if you're looking down  
put a little love in your heart  
I hope when you decide on just who'll be your guide put  
a little love in your heart  
And the world will be a better place...
