(Buck Owens)

We're gonna get together, we're gonna get together  
We're gonna get together today  
Well, I'm a gonna hug and kiss ye (well, honey I can't  
resist ye)  
We're gonna get together today.

Well, now I come from the country (and I come from the  
city)  
We're gonna get together today  
Well, I like fried potatoes (and I like slice tomatoes)  
We're gonna get together today.

We're gonna get together, we're gonna get together  
We're gonna get together today  
Well, I'm a gonna hug and kiss ye (well, honey I can't  
resist ye)  
We're gonna get together today.

--- Instrumental ---

(Now, I come from the city) well, I come from the  
country  
We're gonna get together today  
(Well, I like Johnny Carson) well, let's go see the Parson  
We're gonna get together today.

We're gonna get together, we're gonna get together  
We're gonna get together today  
Well, I'm a gonna hug and kiss ye (well, honey I can't  
resist ye)  
We're gonna get together today.

Well, now honey I'm gonna get ye (hmm well, baby I'm  
gonna let ye.)

We're gonna get together, we're gonna get together  
We're gonna get together today  
Well, I'm a gonna hug and kiss ye (well, honey I can't  
resist ye)

We're gonna get together today...
