Where do the good times go?  
Lips that used to burn with love  
Now are cold beneath my touch  
Still I love you oh so much  
Where do the good times go?

Where do the good times go?  
Where does the river flow?  
Where do the north winds blow?  
Where do the good times go?

Arms that used to hold me tight  
Eyes that shone with love so bright  
Now have changed like day to night  
Where do the good times go?

Where do the good times go?  
Where does the river flow?  
Where do the north winds blow?  
Where do the good times go?
