Once I had a friend who lived beside me.  
We stood eatchother near and now his gone.  
I will se him soon when I join his ride.

refr:

He commited suicide, suicide  
He commited suicide, suicide

When he was alive he was my best friend,  
he always stood up to the things that I said  
But not this time. He was very depressed so he

refr:

He commited suicide, suicide  
He commited suicide, suicide

I don't know why he did it and it took me real hard.  
I'm going to join him very soon, I won't miss my life  
on earth because it wasn't worth whitout my friend.  
I feel that the time for me have come to.

refr:

I commite suicide, suicide  
I commite suicide, suicide
