"Alone"

Visit "[Alone](#)" on MotoLyrics.com

Been sitting ?round here, baby
Thinking ?bout our last long talk
Been sitting here at this table
At your favorite restaurant

Been hoping I could meet you here
So that I can make this perfectly clear
That all I do is think about you
Since you went and left me on my own

I?m so alone, ohh
I?m so lonely, baby, and I need to say that
I know I was wrong, ohh
And I?m asking you to come back home
Don?t wanna be here alone

Missing your sweet body, baby
Tears are streaming down my face, yeah
Go on and make your mind up, your mind up
I ain?t got no where to be right now, baby

But loving you?s a long long way from here
And all I ask of you, my dear
Is maybe you would reconsider
All the love we?ve missed since you?ve been gone

I?m so alone, ohh
I?m so lonely, baby, and I need to say that
I know I was wrong, I was so wrong
And I?m asking you to come back home
Don?t wanna be here alone

I know I was the first to say good-bye, I was a fool, baby
Look at these tears in my eyes

And if loving you?s a long long way from here
Then all I ask of you, my dear
Is maybe you would reconsider
All the love we?ve missed since you?ve been gone

I?m so alone, ohh
I?m so lonely, baby, and I need to say that

I know I was wrong, I was so wrong
And I'm asking you to come back home
Don't wanna be here alone

I'm so alone, ohh
I'm so lonely, baby, oh yes
And know that I was wrong, oh, I was wrong
But I'm asking you to come back home
I don't wanna be here alone

I'm so alone, ohh
I'm so lonely, baby, oh yes
Oh now, I know that I was wrong, yes, I was wrong
But I'm asking you to come back home
Don't wanna be here alone

I'm so alone, ohh
I'm so lonely, baby
And I know that, I know that I was so wrong
