Ain't no use to sit an' wonder why, babe  
If you don't know by now  
Ain't no use to sit and wonder why  
It won't ever do somehow

Oh when your rooster crows at the break of dawn  
Look out your window and know I'll be gone  
Oh and you're the reason I'm travelin' on  
Don't think twice, it's alright

Ain't no use in turnin' on your light, babe  
The light I've never known  
Oh now it ain't no use in turnin' on your light  
I'm on the dark side of the road

Oh now I'm thinkin' and I'm wonderin', walkin' down the  
road  
Oh I once loved a man of child I am told  
Oh I gave him my heart, but he wanted my soul  
Now don't think twice, it's alright

Ain't no use in callin' out my name, boy  
Like you never done before  
Oh now it ain't no use in callin' out my name now  
I can't hear anymore

Oh I wish there was something you might do or say  
Oh to try to make me change my mind and stay  
Oh but we never did too much talkin' anyways  
Now don't think twice, it's alright

So long, honey baby  
Where I'm bound, I can't tell  
Oh but goodbye is too good a word now  
So I'll just say fare-thee-well

Oh now I ain't sayin' that you treated me unkind  
Oh you coulda done better, but lo I surely don't mind  
Oh you just kinda wasted all of my precious time  
Don't think twice, it's alright

Oh you just kinda wasted all my precious time

Don't think twice, it's alright
