You said you were hurting  
You almost lost your mind  
Oh, 'cause the girl that you love  
She hurts you all the time

When things go wrong  
Go wrong with you  
It hurts me too

You love her more  
When you should love her less  
Oh, why do you always pick-up behind her?  
And I know you pick-up all her mess

When things go wrong  
Go wrong with you  
It hurts me too

Oh, so you better leave that girl  
Oh, I say you better put her down  
'Cause, love, I ain't gonna step no forth  
To see you put her 'round

When things go wrong  
Go wrong with you  
It hurts me too

Now she loves another man  
And, oh boy, I love you  
But oh, I know, know that you love her  
I always see you stick to her like glue

When things go wrong  
Go wrong with you  
Oh, it hurts me too  
Oh, hurts me to live, oh

Oh, so you better leave that girl  
Oh, I say you better put her down  
'Cause, oh, I ain't gonna step no forth  
See you put her 'round

When things go wrong  
Go wrong with you  
It hurts me too
