It's an ill wind that blows no good
And it's a sad heart that won't love like it should
Oh how lonesome you must be
And it's a shame
If you don't share your love with me

It's a heartache when love is gone
And it can get even worse if it keeps on
Blinder than he who won't see
And it's a shame
If you don't share your love with me

I can't help it
If he (she) is gone
You must try to forget
You must live on
It's a good thing to love someone
But it's bad and even sad
When it's not returned
Oh how lonesome you must be
And it's a shame
If you don't share your love with me
And I said it's a shame
If you don't share your love with me
