EVA

I don't expect my love affairs to last for long
Never fool myself that my dreams will come true
Being used to trouble I anticipate it
But all the same I hate it--wouldn't you?
So what happens now?

CHE

Another suitcase in another hall

EVA

So what happens now?

CHE

Take your picture off another wall

EVA

Where am I going to?

CHE

You'll get by, you always have before

EVA

Where am I going to?

Time and time again I've said that I don't care
That I'm immune to gloom, that I'm hard through
and through
But every time it matters all my words desert me
So anyone can hurt me--and they do
So what happens now?

CHE

Another suitcase in another hall

EVA

So what happens now?

CHE

Take your picture off another wall

EVA
Where am I going to?

CHE
You'll get by you always have before

EVA
Where am I going go?

Call in three months time and I'll be fine I know
Well maybe not that fine, but I'll survive anyhow
I won't recall the names and places of each sad
occasion
But that's no consolation--here and now
So what happens now?

CHE
Another suitcase in another hall

EVA
So what happens now?

CHE
Take your picture off another wall

EVA
Where am I going to?

CHE
You'll get by, you always have before

EVA
Where am I going to?

CHE
Don't ask anymore
