Evita Peron! Partido Feminista! (Repeated)

EVA

Peron is everything! He's the soul, the nerve, the hope  
and the  
Reality of the Argentine people. We all know that there  
is only  
One man in our movement with his own source of light.  
We all feed  
>From his light and that is Peron.

Evita Peron! Partido Feminista! (Repeated)

CHE

And now she wants to be Vice-president.

ARMY

That was the over-the-top unacceptable suggestion.  
We didn't approve but we couldn't prevent the games  
Of the wife of the president.  
But to give her intentions encouragement  
She's out of her depth and out of the question.
