Christian:

Never knew I could feel like this
Like I've never seen the sky before
I want to vanish inside your kiss
Every day I love more and more
Listen to my heart, can you hear it sings
Telling me to give you everything
Seasons may change, winter to spring
But I love you until the end of time

Chorus:

Come what may
Come what may
I will love you until my dying day

Satine:

Suddenly the world seems such a perfect place
Suddenly it moves with such a perfect grace

Christian:

Suddenly my life doesn't seem such a waste

Satine:

It all revolves around you

Satine & Christian:

And there's no mountain too high
No river too wide
Sing out this song and I'll be there by your side
Storm clouds may gather
And stars may collide
But I love you (I love you) until the end of time

Chorus

Oh, come what may, come what may
I will love you, I will love you
Suddenly the world seems such a perfect place

Chorus
