Hi Suzie, this is Sheila
What U gonna do 2night?
Stay home and watch "The Honeymooners"?
Ah girl, later 4 U
I'm gonna go 2 the Boy's Club
Let me tell U 'bout this club I know
They got all the men, all the dough
They really can't dance and they ain't 2 bright
But the girls don't mind if the money's right
Some are cute and some are not
But that don't matter cuz the music's hot
Can't help dancin' when U feel the beat
U can't help watchin' cuz U feel the heat
A girl with 4 legs, that's the best
U better look twice, there's someone under her dress

CHORUS:
Boy's Club
Meet me later at the Boy's Club
Boy's Club
Meet me later at the Boy's Club

Yeah, U're kinda cute
But it's about the perfume
Confusion in your bathroom

Oh yeah, he just asked me 4 a match
And I said - "Yeah, U're face and my shoes"
He said, "U just ruined my night"
And I said - "Yeah, just think
U could be at home watchin' "The Honeymooners"
Wanna dance?"

Light skinned boys think they're so bad
They drink Evian, listen 2 jazz
At home they like symphonies
But when they're at the club, it's Sheila E. (Sheila E.)

CHORUS
(Please) {x2}

Can't help dancin' when U feel the beat (CHORUS)
Can't help watchin' cuz U feel the heat
A girl with 4 legs, that's the best
U better look twice, there's someone under her dress

Boy's Club

CHORUS
(Please)

Light skinned boys think they're so bad
They drink Evian, listen 2 jazz
At home they like symphonies
When they're at the club, they like me

(Please)
Boy's Club
Meet me later at the Boy's Club
Boy's Club

Can't help dancin' when U feel the beat
U can't help watchin' when U feel the heat
A girl with 4 legs, that's the best
U better look twice, there's someone under my dress
(Hey) Hey, get outta here
(Hey boy, get outta there)
