The voice that drew me near U and drew U near 2 me
Has faded from the picture becoming clear 2 me
All that's left are memories of how it used 2 be
We can't erase the past, we can't change our destiny

CHORUS:

Faded photographs - your eyes say a thousand words 2
me

Faded photographs - shadows fill my lonely room

Faded photographs - your eyes say a thousand words 2
me

Faded photographs - shadows fill my lonely room

Reflecting like a mirror racing in my mind
These photographs remind me of what's not far behind
Your eyes told me the story, words of U and I
I can't forget U in the stillness of the night

CHORUS

Don't leave me, don't leave me
No, don't leave me
No!

Words of dandelion racing in my mind

CHORUS

(Fill my lonely room) {repeat till end}

2 + 2 is 4

3 + 3 is 6

8 + 8 is 16

10 - 5 is 5
