I was all alone  
When the doorbell rang  
Going 4 my own  
A narcissistic thang  
He was dressed in red  
A mask covered his eyes  
Something 4 my head  
He said he had a big surprise

Romance, Romance 1600  
Let's dance, let's dance until we see the sun  
Romance, Romance 1600  
All 4 one, one 4 all, fun 4 everyone, everyone

Pretty summer night  
He had a place 2 go  
Everything was right (So right)  
People I wanted 2 know  
It was so bizarre  
Everyone wore a mask  
Hiding who they are  
Don't bother 2 ask

Romance, Romance 1600  
Let's dance, let's dance until we see the sun  
Romance, Romance 1600  
All 4 one, one 4 all, fun 4 everyone, everyone

Romance, Romance 1600 {x3}

We were not ashamed (No shame, no shame)  
We took off all our clothes  
Fun is all 2 blame  
Only Heaven knows  
My lover dressed in red  
He never used his hands  
He loved me in his head (Love in his head)  
He knew I'd understand

Romance, Romance 1600  
Let's dance, let's dance until we see the sun

Romance, Romance 1600  
All 4 one, one 4 all, fun 4 everyone, everyone

1600  
Romance, Romance 1600 {x3}  
Romance

Romance, Romance 1600

Thank U (Thank U) (Thank U) (Danke schÃ¶n)  
{ "Thank U" in German }
