You're in my head
Tormenting me
I'm running scared
In my time of need
Cuts on my head
Cuts on my feet
I'm here waiting
So baptize me
Baptize me

I need a reason
I need to know just why
You were my meaning
Now it's me you deny
You're in my head
Tormenting me
I need a beginning
So baptize me

Baptize me
Baptize me

Hole in myself
Kills by degrees
Gift of compassion
You gave to me
Blistered my hands
On your beliefs
I'm here waitng
So baptize me
Baptize me

I need a reason
I need to know just why
You were my meaning
Now it's me you deny
You're in my head
Tormenting me
I need a beginning
So baptize me

Baptize me
Baptize me
Baptize me

You're in my head
Tormenting me
I'm running scared
In my time of need
Cuts on my head
Cuts on my feet
I'm here waiting

Baptize me
Baptize me
Baptize me
Baptize me

So baptize me
Baptize me
Baptize me
