I don't feel anything
Isn't that amazing
I don't want everything
Just a little bit of nothing

'Cause even if it feels strange
And stands apart from nature
Even if we don't know
We're the circuit breaker

We're calm and collapsed (x3)
Now we're calm and collapsed
(collapsed collapsed collapsed collapsed)

Is it just me lying here
Or is somebody breathing
Why do I live in fear
When I'm not sure you're here

'Cause even if it feels strange
And stands apart from nature
Even if we don't know
We're the circuit breaker

We're calm and collapsed (x3)
Now I'm calm and collapsed

So break me down
I'm hungry for pain
So break me down
And crucify me again

Oh, 'cause even if it feels strange
And stands apart from nature
Even if we don't know
We're the circuit breaker

It's me they're not forgiving
I'm feeling no resistance

We're calm and collapsed (x4)

Now I'm calm and collapsed
I'm calm and collapsed
