riding with those
halo cowboys
Mr. Lovejoy anywhere we go
and in the middle
it's habitual
it's a ritual
closet show
that i'm happy as i can be,
don't feel much better
think i'm numb to what's goin on
and maybe that's just better
cuz i'm happy

periscope up
and the radar
clear and it's so far
still i'm broke
and it's so sweet
from the back seat
i listen to the radio
then choke as he says
i'm happy as i can be
don't feel much betetr
think i'm numb to what's goin on
and maybe that's just better
is this what you wanna see?
is this what you see?
oh, i'm as happy as can be, yeah

happy as i can be
don't feel much better
think i'm numb to what's goin on
and maybe taht's just better
that i'm happy as i can be
don't feel much better
think i'm numb to what's goin on
and maybe that's just better
is that what you want to see
i'm as happy as can be
is this what you want to see?
that i'm as happy as can be...
