Oh, reckless and indiscrete
Im hypnotized beyond belief
Listen to my battle song
'Cause it's dissin' you all night long

New disasters at my feet
Of abuse and things I cant repeat
Desperate and givin' in
I dont know when to begin

Its hopeless Im cavin in
Hopeless
I cant win

Im going out of my head
I feel like Im dead
I'm feeling Lo-Fi

I'm bottled up and explode
My engines have gone
Some things I cant hide
Im feelin Lo-Fi

Oh, reckless and indiscrete
Im hypnotized without release
I'm losing that special charm
All played out, I cant go on

Conversations without wings
With much advice I start to scream
Desperate and givin' in
I dont know where to begin

Im going out of my head
I feel like Im dead
I'm feeling Lo-Fi

I'm bottled up and explode
My engines have gone
Some things I cant hide
Im feelin Lo-Fi

I feel to glow in sky
And let it fly
Time waits for no one, that is why

Im going out of my head
I feel like Im dead
I'm feeling Lo-Fi

I'm bottled up and explode
My engines have gone
Some things I cant hide...

Well, I'm going out of my head
And I feel like Im dead
I'm feeling Lo-Fi
