"My Goddess"

I was knee deep
in a sick love
I was cross eyed
under your drug
Schizo savior
My messiah
Fatal worship
you inspire

Gone, I dont believe in you now
I've seen too much
I dont believe in you now
My goddess

You were counting
on a free fall
You laid your bet
I would lose all
Chalk up one less
crucifixion
I kick that sick
old addiction

Damn, I dont believe in you now
I've seen too much
I dont believe in you now
My goddess

Now you see
What ya get when ya lose yourself
What ya get when ya dont know who you are
When you dont know who you are
My goddess

Gone, I dont believe in you now
I've seen too much
I dont believe in you now
My goddess

I dont believe in you
I dont believe in you

I dont believe in you
My goddess

I dont believe in you
I dont believe in you
I dont believe in you
My goddess
