Don't take it out on me  
Don't take it out on me  
Don't take it out on me  
The point you're missing

Don't try to talk to me  
Don't try to talk to me  
Don't try to talk to me  
I don't want to listen

Don't take it out on me  
Don't take it out on me  
Don't take it out on me  
The point you're missing

Don't try to talk to me  
Don't try to talk to me  
Don't try to talk to me  
I don't want to listen

Cause talk is cheap so let me be  
Just cut the rope and set me free  
Cause something's wrong, something's wrong

In my opinion  
You're so obscene  
In my opinion  
Nothing but green  
In my opinion  
What's the difference?  
You couldn't change it  
It's your tradition, yeah

Don't take it out on me  
Don't take it out on me  
Don't take it out on me  
You're wasting my time

You won't remember me  
You won't remember me  
You won't remember how you're raping my life

Don't take it out on me  
Don't take it out on me  
Don't take it out on me  
The point you're missing

Don't try to talk to me  
Don't try to talk to me  
Don't try to talk to me  
I don't want to listen

Cause talk is cheap so let me be  
Just cut the rope and set me free  
Cause something's wrong, something's wrong

In my opinion  
You're so obscene  
In my opinion  
Nothing but green  
In my opinion  
What's the difference?  
you couldn't change it  
It's your tradition, yeah

[Guitar Solo]

In my opinion  
You're so obscene  
In my opinion  
Nothing but green  
In my opinion  
What's the difference?  
you couldn't change it  
It's your tradition

In my opinion  
The water will rust  
In my opinion  
You've broken my trust  
In my opinion  
Whats the difference?  
You couldn't change it  
It's your religion, yeah
