Failing and unsure  
Why am I losing my nerve?  
Wasing my time  
Why do I only see this through the hurt?  
I can't get it out of my head  
I can't get it out

That I do this to myself  
Me and no one else  
So help me  
Tell me how to break free  
I'm to blame  
And that's what really hurts  
That's what really hurts  
You get what you deserve

Jaded and broken  
Out of place, waiting my turn  
Guilty, fractured  
Well, like you I don't know the answer  
I can't get it out of my head  
I can't get it out

That I do this to myself  
Me and no one else  
So help me  
Tell me how to break free  
I'm to blame  
And that's what really hurts  
That's what really hurts  
You get what you deserve  
You get what you deserve  
You get what you deserve  
You get what you deserve

I can't get it out of my head  
I can't get it out of my head  
I hear the words that you said  
To me

I can't get it out of my head

I can't get it out of my head  
I hear the words that you said  
To me

That I do this to myself  
Me and no one else  
So help me  
Tell me how to break free  
I'm to blame  
And that's what really hurts  
That's what really hurts  
You get what you deserve  
You get what you deserve  
You get what you deserve  
You get what you deserve
