I'm moving on, time to be gone
Good luck and goodbye, I have to fly
Make lots of money, keep talking funny
Run in the sun, what's done is done
This is the end, my fairweather friend

Goodbye
So long, farewell
Be gone

I'll see ya when I do, even if I don't
I won't think about ya, I wouldn't doubt ya
I'll get on without ya, don't think I won't
I have to go, you have to know
My fine feathered friend, this is the end

Goodbye
So long, farewell
Be gone

Keep being you, do what you do
Take what you want, want what you take
Good luck and farewell, time is gonna tell
Hope it all works out, what's it all about
Who said to who, I said to you

Goodbye
So long, farewell
Be gone

Go and be happy, better make it snappy
You have no fear, I won't be here
I'm gonna be gone, if you hear a song
Laughing in the trees, smiling in the breeze
It might be me, I might be free

Goodbye
So long, farewell
Be gone

I'm moving on, time to be gone

Good luck and goodbye, I have to fly
Make lots of money, keep talking funny
Run in the sun, what's done is done
This is the end, my fairweather friend

Goodbye
So long, farewell
Be gone
I'm moving on
