Meet me on the midnight shore, meet me on the
midnight shore
Meet me on the midnight shore, meet me on the
midnight shore
"How are you going to break a heart
That has been broken before?"
Meet me on the midnight shore, meet me on the
midnight shore
"Has been broken before
And can be broken some more"
Meet me on the midnight shore, meet me on the
midnight shore
""Now we know that this world is burning
And there's a fire at the heart's core"
Meet me on the midnight shore, meet me on the
midnight shore
"For tonight I'm going to take you sailing
To the island of the strong door"
Meet me on the midnight shore, meet me on the
midnight shore
"And there I'll shut your wild, wild eyes
With kisses four"
Meet me on the midnight shore, meet me on the
midnight shore
"Moondrum, moondrum
Beating on the ocean floor"
Meet me on the midnight shore, meet me on the
midnight shore
"Now we know that this world is burning
And there's a fire at the heart's core"
Meet me on the midnight shore, meet me on the
midnight shore...
