This is the story I have for you
It's called Seany Boo and the big blue empty
Seany Boo, Seany Boo, and the big blue empty

Now Seany Boo was afraid of his shadow
He walked the straight he walked the narrow
Went to the pool and he swam in the shallow
Poor poor Seany Boo, afraid of his shadow

Now Seany lived in the land of plenty
There wasn't any need to be hungry
Find something to keep yourself busy
Poor poor Seany Boo, in the land of plenty

Seany went to school, that's what you did
He got big 'cos that's what you did
To get a job, that's what you did
Poor poor Seany Boo
That's what you did

Well he worked in the steel and he worked in the paper
He worked over, he worked under
He worked for me, he worked for you
Poor poor Seany Boo, in steel and in paper

He had two chances of making the money
Three dreams of winning the lady
Four years of holding the baby
Poor, poor Seany Boo, he had two chances

Seany Boo looked up in the sky
Nothing there to catch his eye
Nothing there but the big blue empty
Poor, poor Seany Boo, meet the Big Blue Empty

Ah Ah Ah Ah Ah, Ah Ah Ah, Ah Ah Ah Ah, it's the Big

Blue Empty

Now Seany Boo, he felt like crying
He was trying and trying
But not a tear would appear
To Seany Boo, from the big blue empty

What's outside is in, what's inside is out
That's what this is all about
What happened to me can happen to you
Says Seany Boo to the Big Blue Empty

Then the stormclouds gathered round
And the rain came pouring down
Tears streaming down the cheeks
Of Seany Boo, from the Big Blue Empty

Ah Ah Ah Ah Ah, Ah Ah Ah, Ah Ah Ah Ah, it's the Big
Blue Empty

What's outside is in what's inside is out
That's what this is all about
What happened to me can happen to you
Says Seany Boo and the Big Blue Empty

Woom tukatikita dadamdadam woom tukatikita
dadamdadam
Oom tukatikita dadamdadam woom tukatikita
dadamdadam

That is the story I had for you
It was called Seany Boo and the Big Blue Empty
Seany Boo, Seany Boo, and the Big Blue Empty

Seany Boo, Seany Boo, and the Big Blue Empty
