Someone has to be a langer  
Someone has to be sound  
Someone has to have a laugh  
Someone has to be around

Someone has to do the thinking  
Someone has to do the praying  
Someone has to do the drinking  
Someone has to do the playing

Someone has to go home  
Someone has to go to bed  
Someone has to go to jail  
SOMEONE HAS TO DO ALL THE WORK AROUND HERE!

And if it wasn't you  
It'd only be somebody else  
If it wasn't you  
It'd probably only be somebody else

Someone has to be you  
Someone has to be me  
Someone has to be her  
Someone has to be him  
SOMEONE HAS TO GET UP IN THE MORNING

And if it wasn't you  
It'd only be somebody else  
If it wasn't you  
It'd only probably be somebody else

SOMEONE HAS TO BE A LANGER  
SOMEONE HAS TO BE SOUND  
SOMEONE HAS TO HAVE A LAUGH  
SOMEONE HAS TO BE AROUND.
