Unbelievable Unbelievable
The good ones weren't the good ones at all

Unbelievable Unbelievable
The good ones weren't the good ones at all

You feel what you feel what you feel is what you feel
Theres no getting away
You feel what you feel what you feel is what you feel
You feel betrayed

Unbelievable Unbe****inglievable
The good ones weren't the good ones at all

After you crawled through the mud and the fire and the
wire and the blood and the tyres
And into the light
You thought you were in the clear
There were no weapons of any kind anywhere in sight

Unbelievable Unbelievable
The good ones weren't the good ones at all

The bad ones were better you knew what you had
They didn't pretend to be your friend
Or smile when they lie with their masks and their
disguise
And you didn't have to carry them around in your head
in the end

Ah Unbelievable Unbe****inglievable
The good ones weren't the good ones at all

What was I like when I walked with you that day on the
strand my friend
Like an old torn lion
War weary and wounded and worn and torn
This is going to take time

Ah Unbelievable Unbelievable
The good ones weren't the good ones at all.
