What's in this world
What have you seen happening, here?
Here in this world
What have you been doing here?
What's on your mind?
What's in your heart?
What have you got?

And will we be brilliant or what?
Will we be all dressed in sunlight?
Brilliant or what
Will we be smiling under starlight?
Brilliant or what
Will we be graceful and free?
Will we be? graceful and free?
Radiant and glorious, why not?
What have you got?
And will we be brilliant, brilliant or what?

Born to be bright
To be near sunlight
Born to be warm
To be safe from harm
Make up your mind
Take up your time
Ready or not

And will we be brilliant or what?
Will we be all dressed in sunlight?
Brilliant or what
Will we be smiling under starlight?
Brilliant or what
Will we be graceful and free
Will we be? graceful and free?
Will we be kind, why not?
What have you got?
And will we be brilliant, brilliant or what?

When living to be living
When loving to be loving
When learning to be learning

When laughing to be laughing
When leaving to be leaving
When living to be living
When loving to be loving
When learning to be learning
