Summer in winter, my own, my own
Dancer in summer, my own love
Flame in the darkness, my own, my own
Fountain of gladness, my own love

The secret of the sunlight
And the secret of the moonlight
Are the secrets of the ones who walk this world
This shining world

Woman, woman, my own, my own
Sweet woman, my own love
Dreamer in shadows, my own, my own
Dancer in rainbows, my own love

And I know that the spring's returning
Through the shutters of your eyes
And seven ships a sailing 'cross the skies, 'cross the
skies

Don't stay too long love down by the dark valley
Don't stay too long love down by the dark shore
Don't pay no heed to those agents of worry
They only follow wherever we go

Woman, woman, my own, my own
Dark woman, my own love
Mover, like a river, my own, my own
Come nearer and nearer, my own love

WE'RE WALKING THIS WORLD
WE'RE WALKING THIS SHINING WORLD THIS SHINING
WORLD
WE'RE DREAMING THIS DREAM
WE'RE DREAMING THIS SHINING DREAM THIS SHINING
DREAM
WE'RE WALKING THIS WORLD
WE'RE WALKING THIS SHINING WORLD THIS SHINING
WORLD
