And I, am all alone.
There is no one here beside me.
And my problems have all gone.
There is no one to derive me.

But ya got to have friends.
The feelings oh so strong.
You got to have friends.
To make that day last long.
I had some friends.
But their gone.
Someone came and took them away.
And from the dusk until the dawn.
Here is where I'll stay.
Standing at the end of the road boys.
Waiting for my new friends to come.
I don't care if I'm hungry or poor.
I'm gonna get me some of them.
Cause you got to have friends.
Friends, that's right you, oh you, ya you.
I simply got to have some friends.
I'm talking about friends.
That's right Friends

Friends, Friends, Friends.
I have some friends.
Oh but they're all gone gone.
Someone came and snatched them away.
And from dusk until the very dawn.
You know here's where I'm gotta stay.
Here's where I'm gotta stay.
Standing at the end of a real long road.
Waiting for my new friends to come.
I don't care if I'm hungry or freeze cold.
I'm I'm going to get me some of them.
I gotta gotta have friends.
That's right friends.
Friends,
I got me my,
I got me my,
I got me my.

Took me a long.
All of my friends.
Oh, Oh friends.
That's right friends, friends,
friends, friends, friends, friends
Oh friends...
