I'm a little lazy Butterflie
so tired of flying around in the sky
I kinda get a notion to.
Stay righth on the ground
um hum
an' ever since This nmorning
I justa bin' walking around.

I aint'a gotta long time left to go
about another two days or didn't you know
I'm gonna keep walkin' till the day I die
um hum
who wants to walk with
a little lazy butterfly.

Just about a thinkin' time flies by
so you must be joking to think I would try
to fly around the country like
I'm supposed to do
um hum
so
so long baby

I'm happy in the morning dew
