Before another sunrise wakes me
Before another night is gone
I'll find out where this highway takes me
You know I gotta travel on
Left my troubles all behind me
Back there when I climbed on board
Joined rivers is where you'll find me
It's wide enough
Wide to port

And as I'm going along
I carry with me
Promises that can't go wrong
As I travel on...
As I travel on....
My way!
Left my troubles all behind me
Back there when I climbed on board
Joined rivers is where you'll find me
It's wide enough
Wide to port

And as I'm going along
I carry with me!
Promises that can't go wrong
As I travel on...
As I travel on....
My way!
