Lie to me and tell me everything is all right
Lie to me and tell me that you'll stay here tonight
Tell me that you'll never leave,
oh and I'll just try to make believe
that everything, everything you're telling me is true

Come on baby, won't you just lie to me
Oh come on baby, go ahead and lie to me
You know what I'm talkin about...Go ahead and lie to
me

Lie to me, it don't matter anymore
It could never be the way it was before
If I can't hold on to you
leave me somethin' I can hold onto,
for just a little while won't you let me dream

Anyone can see
that you love him more than me
But right now, baby, let me pretend
that our love will never end

Lie to me, go ahead and lie to me
