She said hey hello there  
As her eyes were dancing all around me  
She told me her name sweetly  
It felt like I knew her like I never knew someone before  
Well I found her now I can stop holding my breath  
I tell all my friends over and over again

I said there ain't no woman like the one I got  
Yes I know, yes I know  
I said there ain't no woman like the one I got  
Yes I know, yes I know

Whatever you need just tell me  
And I'll do all I can to please you  
Yes I don't mind where you lead me  
'Cause everywhere you go girl is everywhere I want to  
be  
Oh I never felt so high  
It feels real for the very first time

'Cause there ain't no woman like the one I got  
Yes I know, yes I know  
I said there ain't no woman like the one I got  
Yes I know, yes I know

There was a time when my heart was drgging on the  
floor  
And I thank God for the day that I saw your face and  
you  
smiled at me  
And you took my hand and you stole my heart away

I lost all my friends  
'Cause I ain't got time for them

Because there ain't no woman like the one I got  
Yes I know, yes I know  
Because there ain't no feeling like the one I got  
Yes I know, yes I know  
Ain't no woman like the one I got  
There ain't no woman like the one I got
