Cry, dont cry for me
I can't take it no more
If that's the way it must be
You can't lie your way back in
Back into my heart
I wont let it be broken again
Well I took a tumble, started to stumble
Thats when I fell
Into a love I thought was sent from above
I was under your spell
All the things that mattered
were broken and shattered, one by one
Well I was so sad, now im just glad that it's over and
done
There's just one thing i got to say
I truly loved you
But now i'm walkin away
yeah I truly loved you, put no one above you
but now I'm walkin away
I took a tumble, started to stumble
that's when I fell

I was under your spell
All the things that mattered
were broken and shattered, one by one
I was so sad, now I'm just glad
that it's over and done
Theres just one thing (just one thing)
I got to say
I truly loved you
Now I'm walkin away
Yeah, yeah I truly loved you
I put no one above you
Now I'm walkin away
Yeah, I'm walkin away
