"Hard Rain"

Anger and outrage, same old situation
Quick to snap I always jump in blind
Go for the throat, I take no prisoners
Look deep inside, you won't like what you find

And I need a hard rain
To cleanse me - wash away my sins
I need a hard rain
To drown me in it's innocence
Attitude, I've got enough for everyone
I take my pride down with me, you watch as it falls
These high hopes shot down straight to hell
Must be a funny place, I'm laughing after all

And I need a hard rain
To cleanse me - wash away my sins
I need a hard rain
To drown me in it's innocence

And I need a hard rain
To cleanse me - wash away my sins
I need a hard rain
To drown me in it's innocence

Getting pushed to the edge and back I go
Falling down so low can't remember high
Feeling like a dead man walking
After all these years I thought I might be getting wise

I need, I need, I need a hard rain
