For denial  
You know that i've been waiting for so long  
To be with you  
Give my hand  
You know that i've been held from helping you  
Un-clean in form

Cold within  
The waves of my delusion crashing in  
I'm burned in sin

Darken my eyes  
So i will never be  
Hollow my heart  
So i am free

For denial  
You know that i've been waiting for so long  
To be with you  
Give my hand  
You know that i've been held from helping you  
Un-clean in form

Cold within  
The waves of my delusion crashing in  
I'm burned in sin

Darken my eyes  
So i will never be  
Hollow my heart  
So i am free
