[Lil' Mo]

Baby, you're the poet to my life
But I'm tired of playin games
I'm ready to settle down
I'm ready to buy a house
And I'm ready to change my last name
I'm ready to have some kids
Ready for the life to live
And all love has to give
I been your superwoman for so long
Ready to be your wife

[Fab]

Little M-O...

[Lil Mo]

Now that love's taken over
I'm 100% sure that it's here to stay
I ain't got no issues standing in my way
I ain't goin nowhere
You ain't goin nowhere so...

Let's make it official
We ain't gettin no younger baby
And I'm ready to be with you
Together for always
To have and to hold through sickness and through
health
Marriage will be crazy baby

Can you live with it, lovin me for life
To have and hold forever
Baby ride or die til death do us part
Let's make it last forever

Are you ready to be happy babe
For the rest of your life
Cause I wanna be your future, yeah
And let's start a family
Cause I ain't goin nowhere
And you ain't goin nowhere so let's make it official...

Let's make it official
We ain't gettin no younger baby
And I'm ready to be with you
Together for always
To have and to hold through sickness and through
health
Marriage will be crazy baby

Can you live with it, lovin me for life
To have and hold forever
Baby ride or die til death do us part
Let's make it last forever

I'm ready to walk down that aisle in all white
And dedicate my life to you (yeah, yeah)
And live together happily ever after all

[Fab]
All I been thinkin bout is us
Slidin from weddings with bands on
Headin to San Juan, gettin our tan on
Girl, you must be forgettin your man's long
Most tuxes I have trouble gettin the pants on
And I know things run through your head when your
man's gone
I come home have you sayin (Oh Boy) better than
Cam'ron
We upsettin they plans on
Gettin they chance on
Gettin they hands on F-A-B-O

[Lil' Mo]
Can you live with it, lovin me for life
To have and hold forever
Baby ride or die til death do us part
Let's make it last forever

Can you live with it, lovin me for life
To have and hold forever
Baby ride or die til death do us part
Let's make it last forever

Make it last forever
And ever and ever
Can you live with it, lovin me for life...
