First Verse [Juvenile]:

You gone take them 5? Or you gone take them to the
trial?
And go get denied?
By that probation and you just got, caught with that fry
That alibi ain't gone work,
Ain't it somethin' how them niggas from out that three
be doin' that dirt?
Score a quarter from oh-oh, rock it up by four-four,
Then you can go in them hallways and smoke that fire
all day
Shhhh....be quiet,
Tonight is the night that we ride,
Thirty camoflaug hummers with niggas inside
With choppers, doin', surgery on bodies like head
doctors
Be quiet, cuz they mad tonight, we gone act a ass
tonight,
I'ma take a body to that project for a sacrifice,
That Calliope got that dope for less,
Fuck around that bitch if you want, and get left,
Brains hangin' off the steps, people cryin',
Second line, T-shirtin', feet hurtin' from all of that
twerkin'

Chorus [???]:

Calliope thug
3rd Ward Solja
Melphanine thug
3rd Ward Solja
P-S-E thugs
3rd Ward Solja
Wild Magnolia
3rd Ward Solja

Second Verse [Juvenile]:

I'm an optimal smokin', chopper totin',
Bustin' caps wide open,

Top of line coatin', reebok sportin',
Expedition corner spender,
Big fine woman bender, put the weight in the blender
Got big bags by rillas,
Shiesty like a splinter, and empty out the braids in the
center,
U.P.T. fader remember,
Follow me, follow me,
Follow me now bitches we be some Hot Boys...
Run up on the 3 and you will get stopped boy
Follow me now bitches we be some Hot Boys...
Run up on the 3 and you will get stopped boy
Follow me now bitches we be some Hot Boys...
Run up on P-S-E and you will get stopped boy
Follow me now bitches we be some Hot Boys...
Run up on the third and you will get stopped boy
Follow me now bitches we be some Hot Boys...
Run up on the U and you will get stopped boy

Chorus

Third Verse [Manny Fresh & Magnolia Shorty]

[Manny Fresh]

I'm from the seventh ward, and I believe in God,
I drive seven thirty-five's and I love these broads
I wear Girbaud jeans, and I bought my green,
Camoflauged over our eyes that's how we do these
things,
I run with Juvenile, that nigga so wild,
Get buck like the fuck I'm glad I use Dial,
Now who the fuck I are? I'm a superstar
Ca\$h Money rules everything around me bruh

[Magnolia Shorty]

Shop on that Ramp, shop in the Lio and Josephine,
Shop in that Nolia, that Valence Street and P-S-E,

And where they be, three hundred and fifty degrees
Shop on that Ramp, shop in that Lio and Josephine,
Shop in that Nolia, that Valence Street and P-S-E,
That got some Hot Boys that represent that U.P.T.,
And where they be, three hundred and fifty degrees
