99.9 fahrenheit degrees  
Stable now, with rising possibilities  
It could be normal but it isn't quite  
Could make you want to stay awake at night  
You seem to me  
Like a man  
On the verge of burning  
99.9 fahrenheit degrees  
Pale as a candle  
And your face is hot  
And if I touch you  
I might get what you've got  
You seem to me  
Like a man  
On the verge of running  
99.9 fahrenheit degrees  
Something cool  
Against the skin  
Is what you could be  
Something cool  
Against the skin  
Is what you  
Could be needing  
99.9 fahrenheit degrees  
You seem to me  
Like a man  
On the verge of burning  
99.9 fahrenheit degrees  
Something cool  
Against the skin  
Is what you could be  
Something cool  
Against your skin  
Is what you  
Could be needing  
99.9 fahrenheit degrees  
99.9 fahrenheit degrees
