I'd like to help you doctor
Yes I really, really would
But the din in my head
It's too much and it's no good

I'm standing in a windy tunnel
Shouting through the roar
And I'd like to give the information
You're asking for

But blood makes noise
It's a ringing in my ear
Blood makes noise
And I can't really hear you
In the thickening of fear

I think that you might want to know
The details and the facts
But there's something in my blood
Denies the memory of the acts

So just forget it doc and
I think it's really cool that you're concerned
But we'll have to try again
After the silence has returned

'Cause blood makes noise
It's a ringing in my ear
Blood makes noise
And I can't really hear you
In the thickening of fear

I'd like to help you doctor
Yes I really, really would
But the din in my head
It's too much and it's no good

Blood makes noise
It's a ringing in my ear
And I can't really hear you
In the thickening of fear

Yes blood makes noise
It's a ringing in my ear
And I can't really hear you
In the thickening of fear

Blood makes noise
Blood makes noise
Blood makes noise
