We go to the playground  
In the wintertime  
The sun is fading fast  
Upon the slides into the past  
Upon the swings of indecision  
In the wintertime

In the dimming diamonds  
Scattering in the park  
In the tickling  
And the trembling  
Of freeze tag  
In the dark

We play that we're actors  
On a movie screen  
I will be Dietrich  
And you can be Dean

You stand  
With your hand  
In your pocket  
And lean against the wall  
You will be Bogart  
And I will be  
Bacall

And we can only say yes now

To the sky, to the street, to the night

Slow fade now to black  
Play me one more game  
Of chivalry  
You and me  
Do you see  
where I've been hiding  
In this hide-and-seek?

We go to the playground  
In the wintertime  
The sun is fading fast

Upon the slides into the past  
Upon the swings of indecision  
In the wintertime  
Wintertime  
Wintertime

We can only say yes now  
To the sky, to the street, to the night  
We can only say yes now  
To the sky, to the street, to the night
