you come from far away whit pictures in your eyes  
of coffeshop and morning streets,  
in the blue and silent sunrise,  
but night is the cathedral,where we recognized the  
sign  
we stranger know each other now  
as part of the whole design  
oh, hold me like a baby, that will not fall asleep  
curl me up inside you,and let me hear your trthough the  
heat  
you're the jester of this courtyard,with a smile like a  
girl's  
distracted by the women, with the dimplers and the  
curls  
by the pretty and mischievous  
by the timid and the blessed  
by the blowing skirt of ladies  
who promise to gather you to theyr breast  
oh hold me like a baby.....  
you have hands of raining water,and that earring in  
your ear  
the wisdom of your face denies the number of your  
years  
with the finger off the potter and the laughing tale of a  
fool  
the arrange of disorder whit your strange and simple  
rules  
yes,now i've met me another spinner of strange and  
gauzy threads  
with a long and slender body, and a bump upon the  
head  
OH HOLD ME LIKE A BABY.....  
with a long and slender body,and the sweetest softest  
hands  
and we'll blow away forever soon,and go on to  
different lands  
and please do not ever look for me  
but with me you will stay  
and you will hear yourself in song  
blowing by one day
