If you were in my movie I'd have you as the doctor  
Small black bag and a big black coat  
I'd have you make a house call to the woman  
You could lay your diagnostic hand upon her belly and  
her throat

If you were in my movie you could be the detective  
You could sit behind the desk with a question on your  
lip  
Examine her for motive investigate the scene  
In the ever present danger keep the holster at your hip

If you were in my movie  
If you were in my movie  
If you were in my movie

If you were in my movie you could be the priest  
Long black frock white collar at the neck  
You could come to the confession you could give a girl  
a thrill  
You could save her from her passion keep her body in  
check

If you were in my movie  
If you were in my movie  
If you were in my movie

If you were in my movie you could be the gangster  
Double-breasted pinstriped man with the cigarette  
Go running down the alley with a double crossing blond  
Explaining to the jury that you hadn't done anything yet

If you were in my movie  
If you were in my movie  
If you were in my movie
