Don't wanna feel you in my heart
Don't wanna see yyou in my dreams anymore
Don't need to hear you're doing fine
Baby I'm sure

Don't wanna call you on the phone
Don't wanna hear you being kind to me
I'll either make it or I won't
Baby we'll see

I never meant to be your fool
What can I do,I know it hurts you too
I wasn't careful at the start
Me with my dreams you with your change of heart

Don't wanna look into your eyes
Don't wanna see the way it might have been
You think I can't see gentle lies
But baby I can

I never meant to your fool
What can I do,I know it hurts me too
I wasn't careful at the start
Me with my dreams you with your change of heart

Don't wanna spend another night
Alone and swearing I'll take control
I'm workin' overtime to hide
What you already know

Don't wanna feel you in my heart
Don't wanna see yyou in my dreams anymore
Don't need to hear you're doing fine
Baby I'm sure
